Joy,
 Thank You for your time and response. I am also sorry we disagreed. I am fine and will move forward with my responsibilities to the best of my abilities.
 Thank You, Bill

Bill:
 I am sorry we argued. I still cannot see how the email I wrote or stating that any person is part-time and is off on Fridays is an insult. I certainly did not nor did I ever imagine that would be taken offensively. If I need to explain why you aren't available on Fridays, I will just state the facts on your hours.

Joy;

 Could I talk to you about this? I am considered to be a full time Employee under my contract with the NOWCC. I have enough difficulty operating with FTE's, in my position, without now being referred to as part-time.
 Could I schedule an appointment to meet with you and discuss this new reference to my position.

Bill

I suspect this is the site fact sheet that just went out. But, I'll follow up with the citizen.

Good Morning Donn,

I believe this is probably the Wilcox site. Bill Little is the assigned CIC for Wilcox, but he is part-time and off on Fridays. As the Public Liaison, can you double check with Bart (and I show Hayes as the OSC) to see what letter may have been sent to the community regarding "clean up". You may want to just call him first to clarify what the issue is.

Thank you Donn.

I received a call from (b) (6) yesterday. He was upset that EPA was not going to clean up his property. He referenced a letter that some neighbors had received but he had not. Can you follow up with him? Thanks
